

Logic Model & Theory of Change

VISION

We envision a region and a nation in which everyone lives a healthy and dignified life. By “everyone,” we mean all people regardless of race, ethnicity, immigration status, religion, gender identity, sexual orientation, disability, age, education or income.

MISSION

The mission of the Consumer Health Foundation is to advocate for racial equity and racial justice through programs and investments that advance the health and well-being of low-income communities and communities of color.

OUTCOMES

People of color and people with low income receive quality and affordable health care and increase their income and wealth that together enhance their ability to live a healthy and dignified life.

INTENDED CHANGE

Community members are organized and effective advocates for their own health and the health of their communities

Regulations, policies and programs are protected or advanced that lead to more effective and equitable labor laws and opportunities for worker advancement

Health and other public benefit programs have adequate and sustained funding and are implemented effectively and equitably

Networks of diverse community members, advocates, and organizers have a common vision and coordinated strategy to achieve health and racial equity

CHF INVESTMENTS

Cohorts of community members, advocates and organizers who apply a racial equity lens to their efforts

Influential communication to increase awareness of and action toward health and racial equity

Emerging and innovative approaches to creating health and racial equity

Investment vehicles and social ventures that are aligned with health and racial equity priorities
